

This list is provided for yo to compare the Executive and Business kits for purchase to become a Tupperware Consultant.

If you do not want to become a consultant, but would rather just get 10% money back please see my my site at <http://tupperware.segalandassociates.com/>

The purchases of these kits do not qualify for money back, but once you become a Consultant under me you can get a larger discount than the 10%. See my Tupperware web site at <http://my.tupperware.com/magee>
